## **BRITISH TRANSPORT POLICE INTEGRATION: OFFICER AND STAFF PENSIONS**

As you may be aware on 27 August the Scottish Government announced, based on advice from Police Scotland, it would consider other options to full integration of British Transport Police into Police Scotland.

I am writing to advise that there is currently therefore no need to undertake further work on the establishment of a separate pension fund for BTP officers. We will keep you informed of any key developments but I hope this clarifies the present position. . Please feel free to contact me if you have any queries.

I would like to thank you for the work you have undertaken to date.
